

APPOINTMENTS

Tanya Hopmans

STARGATE TECHNOLOGIES has announced the appointment of **Tanya Hopmans** as business analyst and **Robert Tassone** as web designer. With a strong background in project management, Hopmans has five years experience in business analysis and project lead roles and her experience is supported by expert knowledge of the Australian financial services industry. Tassone has expertise in B2B applications, developing e-commerce templates and designing Electronic Data Interchange programs. Tassone holds a degree in computer science and a Masters in multimedia. Both Tassone and Hopmans join the team to help develop solutions for Stargate client, Genworth Financial. **MPA**

Robert Tassone

Mylie Hagan

Mylie Hagan has joined **GENWORTH FINANCIAL** in the role of community relations liaison. Her role will be to strengthen Genworth's relationships with community partners throughout Australia, with the ultimate goal of maximising the long-term benefits for clients, staff and society. She has over 10 years of experience as a communications professional and has a background in not-for-profit organisations as well as strong corporate experience. **MPA**

Charles Wiggett

Charles Wiggett has been appointed as relationship manager for the **MORTGAGE BROKER ALLIANCE** with responsibilities including growing and developing brokers' business. He has previous experience as a mortgage broker in New Zealand and has also implemented business partnerships with real estate agents, accountants, lawyers and various other professionals throughout his career. **MPA**

Julie Fyffe

PARAMOUNT MORTGAGES has appointed **Julie Fyffe** as its new lending manager. Her responsibilities will include liaising between brokers and funders and developing and maintaining new broker enquiries and deals. Fyffe recently worked in banking and foreign exchange settlements as well as a role as accounts executive. **MPA**

Anna Dimitriu

Anna Dimitriu has joined the **HOMELOANS LTD** business development team in Melbourne. She has four years of experience in the finance industry and understands the importance of timely, accurate and dedicated service. Dimitriu had hands-on experience across the business in her previous role and she has acquired a detailed understanding of the issues surrounding brokers, from the small one-man operation to the larger dealer groups. Her dedication to providing brokers with the best support possible will go a long way towards developing a brand new portfolio of business for Homeloans Ltd. **MPA**

Jason Riley

Jason Riley has joined **AFG** following a 15-year career within the banking industry in New Zealand and Australia. Most recently he was part of the team that worked on the development and implementation of the sales and service program within St. George Bank. Prior to this, he held various management positions with **ASB BANK** in New Zealand. He is now project manager, sales and service, and will play a key role in the development and implementation of the sales and service program for **AFG**. **MPA**

Dan Walker

Due to the strong growth of **FINWARE AUSTRALIA'S** customer base and the continuing support to their clients, **Dan Walker** has joined the Finware support team as a support technician. The support team is responsible for client support of all Finware products, including iLend and iWeb, development, testing and installation of iLend, and formalising internal documentation processes. Walker recently moved to Australia from Christchurch, New Zealand, and has been contracted to NSW Police as their deployment technician for new internal system requirements. With a strong customer service focus and a sound understanding of Finware's premier product platform, iLend, Walker is set to be an excellent addition to the Finware support team. **MPA**

Tony Hemphill

HLP MORTGAGE COMPANY has appointed **Tony Hemphill** as business development manager for HLP in New South Wales. His role will be to assist mortgage brokers in New South Wales to capitalise on the growing opportunities available to them in the non-conforming market. Prior to working with HLP, Hemphill was a business development manager for First Credit Union. **MPA**
